

Season's Greetings!

December 2009

Welcome to the premier issue of the Delaware Camping Center newsletter. Our goal is to entertain, educate and share items of interest to everyone in the RV community. We invite you to comment on anything you read here, submit any questions you may have, share your RVing experiences as well as your photos, stories, recipes or quick tips. The newsletter will also include valuable discount coupons to be used at Delaware Camping Center.

One of the best reasons for traveling by RV is that no other method of vacationing provides you with such an incredible view of the country. These trips will be some of the most memorable and pleasant experiences your family will have together.

As you plan your next trip, keep the following in mind:
We don't remember days; we remember moments.
Where will your next memory be made?

Heartland RV's Now Available at Delaware Camping Center

We are proud and excited to announce the addition of the new North Country line of travel and destination trailers to our inventory.

The North Country travel trailers range in length from 21 feet to 38 feet and the destination trailers are up to 42 feet. The Country Ridge Extended Stay trailer is available in lengths up to 45 feet.

Features include: tinted safety glass windows; Amish-built hardwood doors; heated holding tanks; baggage doors with automotive rubber seals and so much more.

"You'll enjoy the open, spacious feeling that you get in each North Country travel trailer made possible by the full seven foot ceiling height that makes you feel like your at home! Taller ceilings mean six foot head clearance in the sliderooms on all slide out models."

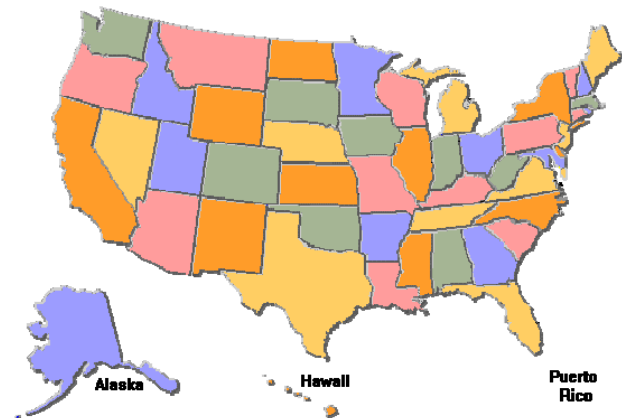

Heartland RV

The all-new North Country features exciting new interior concepts offering loads of rich cabinets, plush interior furnishings, abundant counter top space, and several windows that provide a great view of your surroundings and living room design that are perfect for entertaining guests or relaxing while on vacation.

Where have you been
in your RV?

We would like to know where our customers have traveled over the years. Our goal is to have an entry in each of the 48 contiguous states. If you would like to have your name placed on the map, send an email to: dccnews@delawarecampingctr.com and let us know where you have been.

A larger version of the map will be hung in the dealership. Stop by and see how we're doing.

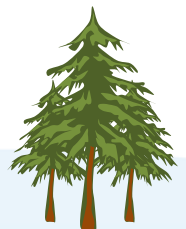

Safety Tips

Recreational vehicles (RVs) can be a great way to travel. However, there are a few things you need to know about safe operation and maintenance. An RV that's mechanically sound will be less apt to break down and in order to keep your family and friends safe and happy on your next trip, be meticulous about maintenance and follow the recommended schedule below. Buckle Up, Have a Safe Trip and Enjoy the View!

Some RV Humor—Where Are We?

A man and his wife were driving their RV across the country and were nearing a town spelled Kissimmee. They noted the strange spelling and tried to figure how to pronounce it - KISS-a-me; kis-A-me; kis-a-ME. They grew more perplexed as they drove into the town. Since they were hungry, they pulled into a place to get something to eat. At the counter, the man said to the waitress: "My wife and I can't seem to be able to figure out how to pronounce this place. Will you tell me where we are and say it very slowly so that I can understand." The waitress looked at him and said: "Buuurrngerrr Kiiiiinnng."
